

Helping both the mother and her baby

TO THE LEGISLATIVE ASSEMBLY OF ALBERTA, IN LEGISLATURE ASSEMBLED:

We, the undersigned residents of Alberta, petition the Legislative Assembly to pass legislation that will:

Expand the influence of Alberta Adoption Services to work with pregnant women who feel themselves unable or not-yet ready to be mothers and to match them up with prospective parents;

Promote counseling for women in unplanned pregnancies that will provide them with all the alternatives available to them including the possible physical, psychological and spiritual impacts an abortion could have;

And consider increasing the emergency allowance for pregnant women escaping domestic abuse.
