Women and their babies deserve better

TO THE LEGISLATIVE ASSEMBLY OF ALBERTA, IN LEGISLATURE ASSEMBLED:

We, the undersigned residents of Alberta, petition the Legislative Assembly to urge the Government to take all necessary steps to implement the following:

Require that parents or guardians be consulted before their minor child undergoes an abortion procedure;
Prohibit chemical abortion pills from being prescribed online and remove the chemical-abortion process from telemedicine platforms;
And defund elective, medically unnecessary abortions and instead provide resources for life-affirming alternatives such as crisis-pregnancy support, parental support, and adoption.
